1800 East 35<sup>th</sup> Avenue, Gary Indiana 46409

**Our mission: is to create the URGENCY for both  
the preparedness for college and career and the readiness for life.**

Dear Scholars, Parents and Guardians,

Due to unforeseen circumstances caused by the pandemic (Corona Virus) our academic structure is being modified to ensure that our students continue to be fed academically and high standards.

The system that is in place for our scholars is **eSchoolware** (Provost). All scholars will need their logins to access their classes. If a login is needed please contact any teacher to get a login. Classes have been loaded with due dates for completion. If scholars are currently enrolled in Credit Recovery they are to continue with this process as well as with their regular classes that are loaded.

Students are required to complete 2 assignments per week for each class. Diverse Learners are required to complete 1 assignment per week for each class. If you find that you are having issues please inform your teacher as soon as possible.

Failure to complete your assignments could result in failing the course which inturn can cause one not to graduate on time.
